

Pricing Disclaimer

Due to ongoing global trade regulations and recently implemented tariffs on goods imported from offshore manufacturers, certain products listed on our website—particularly non-stock and low-stock items—may be subject to surcharges of up to 20%.

While we strive to maintain accurate and competitive pricing, final costs for affected items may vary at the time of fulfillment. If your order includes impacted products, a HASCO representative will contact you to confirm any adjustments prior to processing your order.

We appreciate your understanding as we work to provide the most accurate pricing and continue delivering the high-quality components and service you've come to expect.
